Recycled

Adestor Laser Nature FSC Certified

Sustainable labelling for office applications

100% post-consumer recycled uncoated white paper FSC® certified (C011032), developed specially for variable data printing.

- High whiteness for greater print contrast and barcode readability.
- Improved surface finish ensures excellent toner anchorage and good ink absorption.
- PEFC™ Post-Consumer Recycled certification available upon request.

Adestor Laser Nature FSC Certified

TECHNICAL SPECIFICATIONS

<i>Description</i>	100% recycled post-consumer uncoated white paper for variable data printing. This product is available as FSC® Mix Credit.
